The fruit of the righteous is a tree of life, And he who wins souls is wise. (Proverbs 11:30)

The Time to Arise is Now!

Without faith, it is impossible to please God. We must believe that he is and that he is the rewarder of those that diligently seek HIM.

Now is the time of harvest and it is happening right before our eyes. The words of Jesus are being fulfilled at this very time. The angels are separating the

wheat from the chaff, good fish from the bad, and HIS WILL IS BEING DONE ON EARTH as in heaven. Jesus commanded us to be perfect even as our heavenly Father is perfect. We need to stay focused on the will of God **which is**, that none would perish and that all would have eternal life. I praise God that he has opened my eyes to see the Heavenly treasures which far out weigh the treasures of this world where we now live. The value of a soul saved can only be experienced in the love of one laying down their life to do whatever is possible to see that soul saved. No one will partake of this joy without participating by using the talents God has given them according to their ability. **If we continually trust God and not grow weary**, we will reap an eternal harvest of great worth. This is the will of God for all that belong to Him. There has already been a lot accomplished through this ministry. Every time we're sent into the mission field, thousands of souls are saved, healed, delivered, and filled with the Spirit of God. This will continue until the coming of Jesus, *so we are to be steadfast*, understanding that **TODAY is the day of salvation, NOW is the time, as this is the year of His favor.** Our mission has been to do major evangelistic campaigns by working with the churches, teaching evangelism, and then taking them out to win souls. Then we finish by having a crusade that also produces a great harvest of souls for God's glory. When we're away doing this, doors also open for us to minister through television, radio and many other speaking engagements. We are always ministering in prisons, hospitals, rehabilitation

centers, children with aids hospice, with the military academy, police detectives, government officials, praying with them to receive Jesus as He meets all their needs and the list goes on and on to the praise of God. The Lord has put it on my heart to extend the crusades with morning teachings equipping the saints from two and three days to at least seven so that these revivals can have time to develop. In these countries which are the poorest, we encourage the churches to step out in faith and supply what they can, according to what they have, and they do. As an example the cost for one of these campaigns

might cost \$5000. They might be able to contribute \$500 which takes a big step of faith because there offering is given out of their need. You can see how we who have been given much

should love much by supplying what is lacking. If you would like to share in this joy of reaping the rewards of Jesus sufferings, **I am willing to act on your behalf** by using your offering to accomplish God's will. We are at this time scheduled to leave for Honduras at the end of June for possibly three months. There is much need in the form of financial support and God will supply, so **if you are willing** here is your opportunity to give. My prayer is that God would open the eyes of your heart, giving you peace to step out in faith so that you may give as much as possible and to be faithful continually to this ministry. This is a true saying that **we are not waiting on God, He is waiting on us.** Now my God shall supply all of your needs according to His riches in Glory by Christ Jesus. Thanks for your prayers, they have and are being manifested

May the love of God fill your heart,
Tom
