The fruit of the righteous is a tree of life, And he who wins souls is wise. (Proverbs 11:30)

A Message from Tom

Hello everyone from Honduras,

What an experience we have been having in Central America.

The week we arrived in Honduras the government was overthrown and the president was forced out of power by the military. This has caused some chaos for this country which has resulted in marshal law and border closings at times. There has been some rioting along with several peace marches. The majority of the people in Honduras are in favor with what happened due to so much corruption and embezzlement of funds in the government.

About two months previous to this a major earthquake hit this country. We were amazed when we went to one of the local malls to see it being sustained by wood. As we kept on our schedule and taught evangelism at one of the towns that had been hit the hardest, everybody had a story to tell. One family told us how they all started crying out to GOD which did not serve him at that time. That day the harvest was ready as we picked up what had been sown. Many souls came to the LORD. The tracks we hand out said it all. If you were to die in this moment do you know where you would go?

Praise God, what a time to be preaching the gospel of salvation in Christ Jesus our Lord. While there are those that cry peace, peace, when there is no peace. **We say, Know Jesus Know peace, No Jesus No peace.**

Praise God that we know that He can do everything, and no purpose of His can be withheld from Him. Job 42: 2

We know that we were sent here for such a time as this. Many salvations along with mighty outpourings of His Spirit are taking place for His glory, to God be the praise. We have continued to press on and have been blessed to minister on TV, radio, to the military, police, government officials (mayor of Marcala, Honduras) public schools, and so much more the real peace that passes all understanding.

God has granted us great favor wherever we go and we have seen God destroy the yoke of fear replacing it with joy. Now having already gone to El Salvador bearing much good fruit, we have much more to do here in Honduras. It is because of your prayers and financial support this is happening according to God's will. There is a saying that

If you were to die in this moment do you know where you would go?

out of sight, out of mind, and when it comes to giving this seems to be true. Knowing I cannot be there and here at the same time, I send these newsletters to inform and remind you of the support needed to continue this great commission Jesus has given us. Thank you for your continued faithfulness to this ministry while we share together in His joy.

Sincere Love in Christ,
Tom
