November 2009 Newsletter

The fruit of the righteous is a tree of life, And he who wins souls is wise. (Proverbs 11:30)

Hello everyone,

What an experience it was to be sent to India as an ambassador of Christ Jesus. In last month's newsletter I wrote that it was to me, like when Apostle Paul responded to the cry of a man in a vision to come to Macedonia. When I arrived there and could see and feel the oppression, it was different than anything I had ever experienced. The stronghold of idolatry was so manifested that I was overwhelmed like never before with the reality of the spiritual forces of evil. This reminded me of why I was there and the need to be strong in the faith. It was made clear to me by the Spirit that I was to impart the anointing of evangelism and supply the Pastor there with the provisions to do so effectively. Since returning I've received reports of many being saved and how they were greatly encouraged with my visit. To God be the glory for all that He does through us in our obedience to the faith. That is why I want to thank you for doing your part as the body of Christ to share in this blessing. It truly is because of our unity in the bond of love that the will of the Father has been made possible.

Now we are planning a major campaign for January in Honduras to bring medical and practical needs to four desperate places, put on our hearts by the Holy Spirit. Many there will be joining us such as the 700 Club, Operation Blessings, owners of a hospital and pharmacies, doctors, nurses, business people, along with those that join with us from the United States on this mission. From there we will continue on evangelizing and working on establishing a much needed training center for Pastors and leadership. Those needing direction and support to preach the gospel in Central America. God's plan is big which He has prepared in advance for us to do. So I encourage everyone to release the provision of God that has been entrusted to us, so that we may all share together in our masters happiness. There is also a great need for the churches to be able to transport the people, as it is impossible for many to come otherwise. God has opened a door for us to provide them with buses which will bring in thousands of souls as we receive the necessary financial support to do so. This is a biggie because with every bus sent, we will be able to fill it with much needed provision otherwise unrealistic to send. Let's pray believing for what God has put in our hearts to be manifested as we obey the clear teachings of Jesus to do them.

Faithful to the Lord,
Tom

“You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men. You are the light of the world. A city that is set on a hill cannot be hidden. Nor do they light a lamp and put it under a basket, but on a lamp stand, and given light to all *who are* in the house. Let your light so shine before men, that they may see you good works and glorify your Father in heaven.” Matt 5:13-15
